Greetings!

St. John #5/ Camp ACE is a non-profit-faith-based organization whose mission is to increase and broaden the perspective of economically disadvantaged children, youth, adults and families throughout the Metro New Orleans region by way of providing an array of quality educational, social, health, and cultural services. In 1989, St. John began providing services to the various communities of the Metro New Orleans area, beginning with a Summer Camp. Since then, St. John has expanded its services to include, After-School tutoring, GED Prep classes, Computer Technology classes, and HIV prevention services, just to name a few.

On Saturday, May 15, 2010, from 11am-5pm, St. John #5/Camp ACE will be hosting its 2nd Annual HIV Awareness Extravaganza. It will be an outside event that will be held at 2700 Florida, New Orleans, LA 70117. The event will consist of: 1) A Police Escorted HIV Awareness Ride...Ride for Life (a 15-25 mile ride in New Orleans, LA), 2) A Health Fair, and 3) A Custom Car/Bike Show. The purpose of the event is to promote HIV/AIDS awareness and provide access to FREE HIV and other community services and resources to the participants.

At this time, I am writing to request your business's participation in this greatly needed event. We are in need of health care and service providers to assist in providing services during the health fair component including, blood pressure and/or glucose screening, eye screening, medication information, HIV testing, Syphilis testing, dental screenings, agency/business information, and more. There are no fees to pay for health care and service providers that participate in the event's health fair component. St. John #5/Camp ACE is projecting that this event will reach many individuals and we're asking every participating organization to adequately prepare to reach a minimum of 500 people, if possible.

St. John #5/Camp ACE is asking that you help us spread the word to make the event a success! We are also accepting donations for the event and we are seeking volunteers to be on the planning committee and work on the day of the event. Donors and Volunteers can contact me by phone or email.

I have including a participation form for you to complete and an agenda for the event. Thanks for your support and we hope to see you there!! ***(The event will take place rain or shine)***
